

**"MARTINA" 13.07.2010  
COLLISION WITH "ALIVA"**

On 13<sup>th</sup> July 2010 the tanker "Martina" registered under Italian flag, sailing from Leghorn bound for Augusta, collided with the fishing boat "Aliva". One of two fishermen was immediately rescued by tanker. After few hour-search, unfortunately the body of the other fisherman has been recovered.

We have been instructed to act on behalf of P&I Club to investigate the casualty and protect "Martina" interests before Maritime Authority Inquiry as well as Criminal proceedings pending before Courts of Civitavecchia, negotiate security to avoid any arrest of the vessel and, more generally, dealing with the various claims originating from the incident.
