

**“REPUBBLICA DI ROMA” –  
AT LOMÉ 10.04.2014 – FIRE ON BOARD - TOTAL LOSS**

We have been instructed by H&M Underwriters to investigate the claim in respect of alleged constructive total loss of the vessel. Gathering evidence, declining act of abandonment as tendered by the Assured and liaising with the surveyors and consultants appointed by the Hull Insurers in respect of the casualty, which – subject to the terms of Nordic Plan 2013 – has then been settled as a Constructive Total Loss.
